We uphold transparency, honesty, and ethical practices in all our dealings, ensuring trust .

---

## 03

### CLIENT-CENTRICITY

We prioritize our clients' needs, fostering strong partnerships to achieve their goals effectively .

---

## 04

### INNOVATION

We embrace creativity and forward-thinking solutions to overcome challenges and drive project success.

---

# OUR COMMITMENT TO QUALITY

## 01

### ADHERENCE TO STANDARDS

We strictly follow international quality and safety standards to ensure excellence in every project.

## 02

### CLIENT-CENTRIC APPROACH

We prioritize client satisfaction by tailoring our solutions to meet their specific needs and expectations.

## 03

### CONTINUOUS IMPROVEMENT

Our team stays updated with the latest technologies and practices to enhance project quality.

## 04

### INSPECTION AND MONITORING

Rigorous quality control measures are implemented at every stage to guarantee superior results.

## 05

### ATTENTION TO DETAIL

Every aspect of our work is meticulously planned and executed with precision.

# HOW WE WORK?

Our approach is rooted in collaboration, innovation, and precision. We begin by understanding our clients' vision, goals, and unique project requirements.

From the initial concept to project handover, we prioritize planning, coordination, and proactive communication at every stage. Our team of skilled professionals leverages years of experience and industry best practices to ensure every detail is handled with precision.

## UNDERSTANDING CLIENT NEEDS

We begin by thoroughly understanding your goals, vision, and project requirements to create a tailored plan.

## STRATEGIC PLANNING

Detailed planning ensures resource allocation, timelines, and budgets are optimized for project success.

## SEAMLESS EXECUTION

Our team manages every phase, ensuring coordination, quality control, and adherence to deadlines.

## PROACTIVE COMMUNICATION

We maintain transparency and regular updates to keep all stakeholders informed and aligned.

## SUCCESSFUL DELIVERY

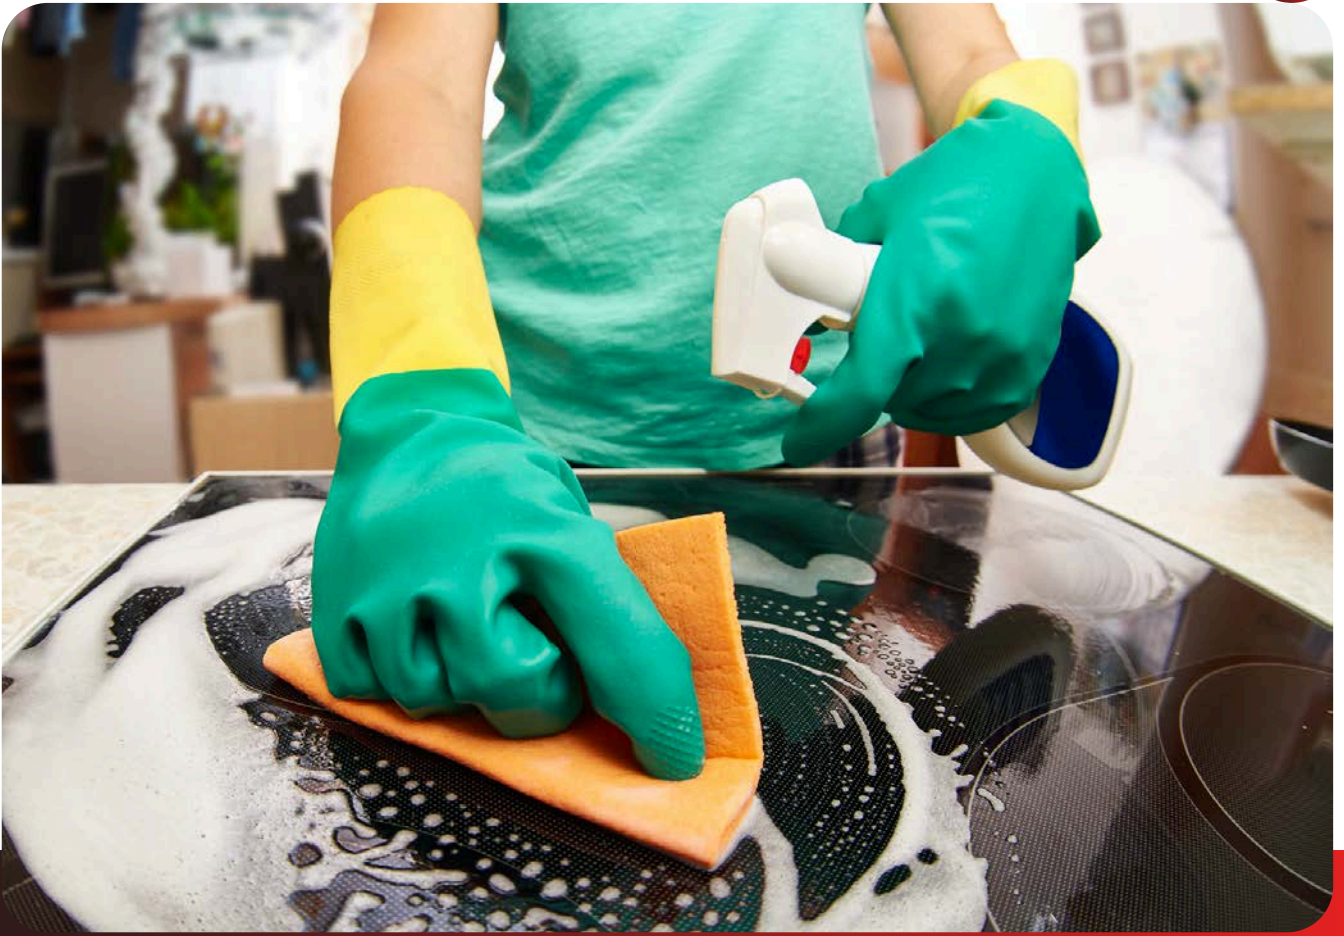

We ensure projects are completed on time, within budget, and to the highest standards, exceeding expectations.

Our approach extends beyond project delivery. We value transparency and maintain a strong focus on client relationships, working closely with all stakeholders to ensure smooth operations and informed decision-making throughout the project lifecycle. By adopting innovative techniques and continually adapting to evolving industry standards, we consistently deliver reliable, sustainable, and impactful results.

# OUR SERVICES

We are a long-established provider of contracting services within the operations and maintenance sector. Engaging a contracting company such as us can save you time, reduce your costs, and help execute the projects effortlessly

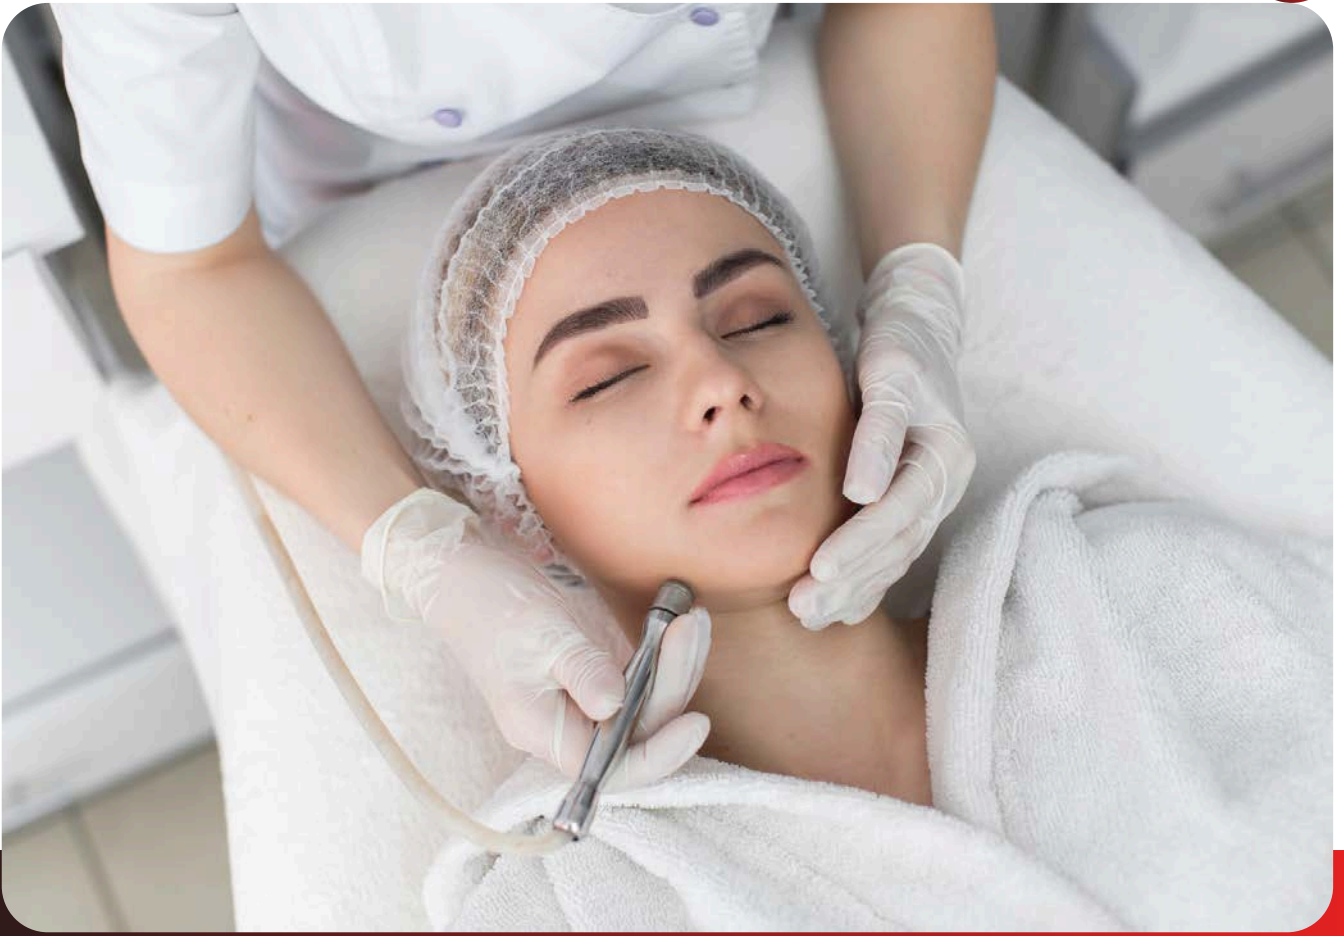

# On Call Cleaning

We understand the importance of maintaining a clean and inviting environment for your home and business. Our On-Call Cleaning Service is designed to offer flexible and efficient cleaning solutions tailored to your unique needs.

# Pest Control

We are well aware of the cost implications and inconvenience a pest infestation can cause at your residence or workplace. We provide comprehensive pest control services, including rodent control, bird control, and insect control.

# Beauty Spa

You can experience our premium mobile spa service expertly delivered at your location. Whether you're looking for a massage at home or beauty services such as facials and nail treatments. Our highly trained team keeps things professional yet personable.

# Workwear & Uniforms

We have been supplying businesses and brands across the Kingdom with retail-quality, personalized workwear. Whether you're a large business with many employees that require embroidered uniforms or a start-up business looking to increase your brand recognition with printed workwear, we can help.

# Staffing Solutions

We have been serving several reputable companies with their manpower needs. We have deployed thousands of workers in the past 3 years.

We take pride in our extensive and diverse experience in the recruitment and supply of workers in all industries.

# Visa & Travel Processing

We have been working on expanding our network of partnerships worldwide to provide our clients' companies with the best talent out there

You can count on us to provide your team with suitable migrant workers for your business when you are not able to fill specific roles with suitable candidates from within the KSA.

# Housekeeping

Premium Support Facility Management Ltd. is a fastgrowing name in the world of quality housekeeping services based in All regions of the Kingdom of Saudi Arabia.

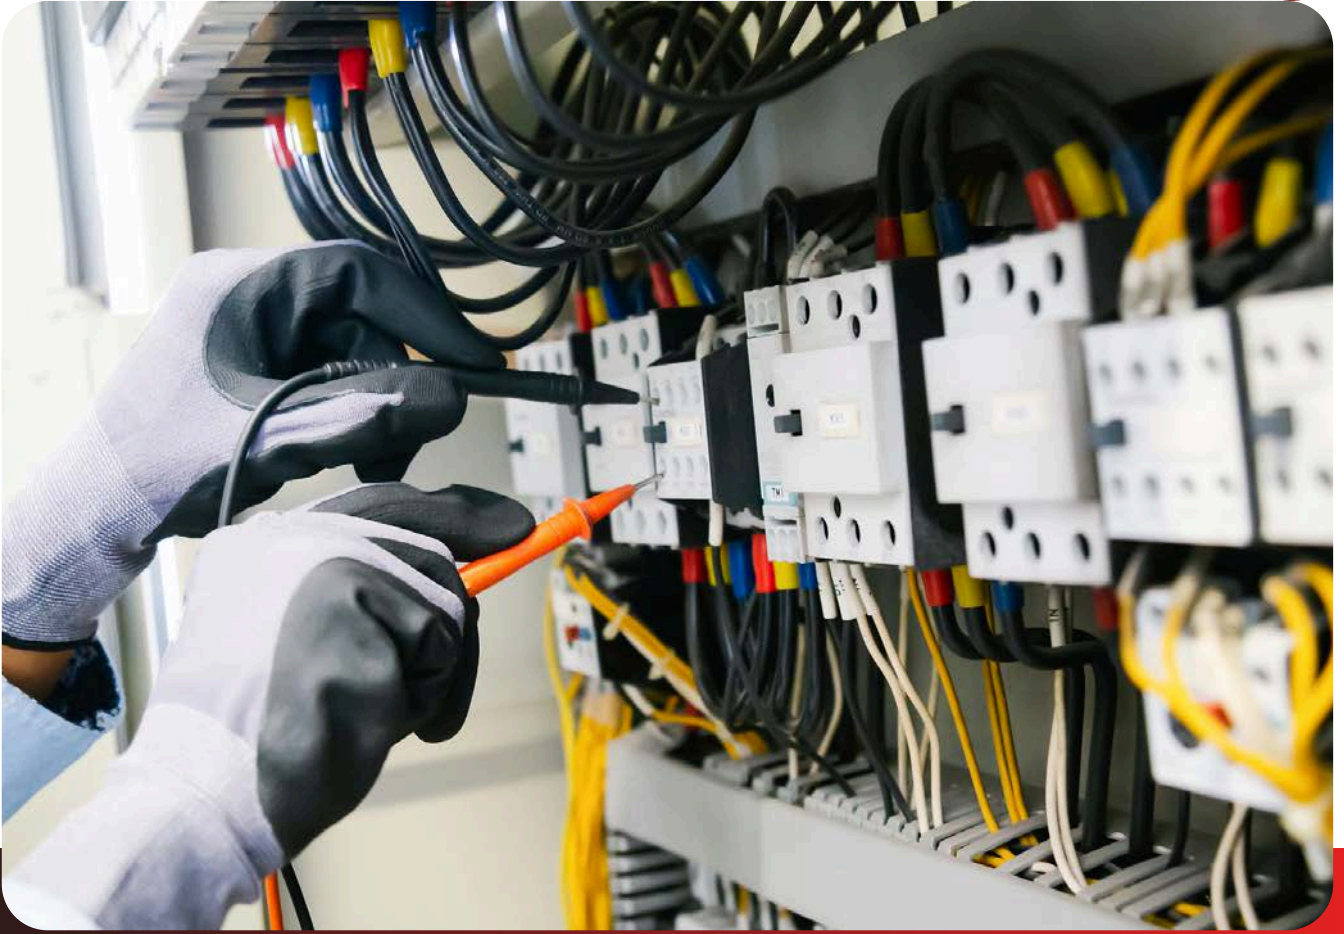

Our professional approach to offering the best services to our clients is a constant practice in all of the segments.

# Mechanical

We carry out a wide range of services relative to the mechanical maintenance process.

These include dismantling, overhauling, and repairing through to re-installation, commissioning and if necessary fabricating replacement parts.

# Electrical

We deliver planned preventive maintenance for electrical infrastructure against manufacturers.

We also offer electrical services as a trusted third party, helping you to maintain the compliance of electrical installations within your facilities.

# Plumbing

We have plumbing experts equipped to find the source of water ingress, and they'll usually carry out several tests while on site.

While our plumbers deal with cold-water installations, refurbishments, and repairs, we have experts for all types of water-related issues.

# Paint Works

If you are looking for budget painting service then look no further than us as your chosen Painter and Decorator right here with us.

We spend a great deal of time masking up and ensuring your property and furniture is covered to protect.

# Aluminium Works

We don't just deal in aluminum fabrication but also source unique extrusions to fit our customers' exact sizes, to ensure a professional finish.

On top of that, we also offer our superb aluminum finishing service, which gives you the option of having your fabricated aluminum polished to a shine.

# Steel Works

We can manufacture an extensive variety of steel products for a wide range of applications.

Whether you want safety railings or ladders with safety cages, you can count on us for high-quality steelworks. We can fabricate the units as per your specifications and design of the product.

# Laser Cutting

From construction to pharmaceutical, bespoke projects to repeat work, our amazing lasers give us the ability and flexibility to work with different materials, quantities, and complexities.

We deal with any industry with laser requirements and our fullservice approach also lets you depend on us.

# Carpentry

Only the finest products are sourced, whether it be raw materials or high-quality ironmongery, and each job receives the up most attention to detail and intricacy from start to finish.

From designing to installing, our clients can be assured of a highclass job.

# Automatic Doors

Our regular door service will help avoid costly repairs and ensure that safety requirements for the door systems in your commercial building are met.

We have a specific schedule of works we carry out for each different door type which is detailed within our servicing.

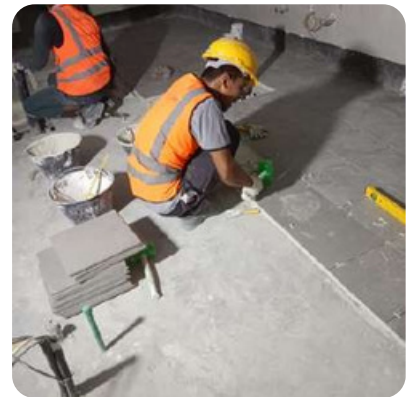

# Cabinet Works

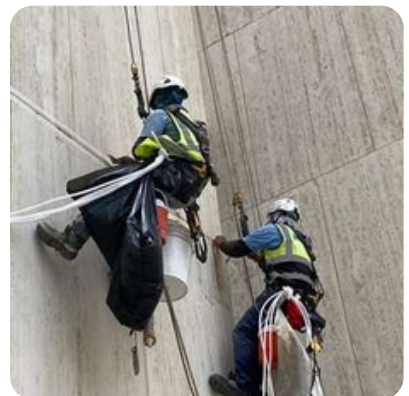

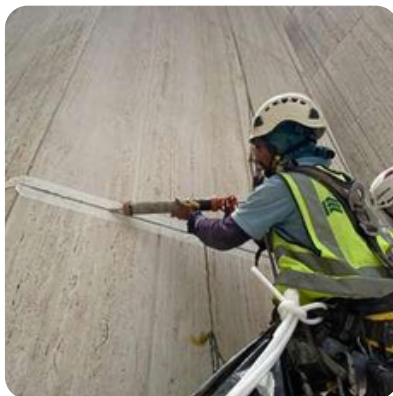

With the most comprehensive choice of cabinetry products in the country, we serve just about everyone.

As one of the largest privately held cabinetmakers in the KSA, we work hard every day to be good neighbors in our communities and good citizens globally.
